Introduction

'Excellence doesn't just happen' - which is why we have created a detailed Period 6 timetable to support you in the lead up to your exams. Attending these sessions will give you an even better understanding of each subject and how you can prepare for your final exam. It is also an opportunity to work with your subject teachers on the areas that you are unsure of.

The timetable is separated into 2 weeks, the first dedicated to core subjects and the second to options subjects. Period 6 sessions have been designed for you and will address gaps in learning, misconceptions and will provide opportunities to practice exam questions and recall key knowledge.

Core Priority Week

Day	Subjects
Monday	English & Option A
Tuesday	
Wednesday	Science & Option B
Thursday	Maths & Option C
